Kristine,
OK, I understand you all at EPA won't be available to meet on Siltronic until 5/2. That's OK, but I have a schedule conflict in the morning of 5/2. Can you all meet in the afternoon? I briefly talked to Dana B, & he said he contact you early next week to schedule this mtg.

Eric,
With the EPA/DEQ mtg on Siltronic pushed out, Matt & I are available to meet on Section 11 either 4/14 or 4/15. You & I both have that David Batson Convening mtg the morning of 4/15, & I have a DEQ Mgr mtg with morning of 4/14. Can we meet either Mon afternoon or Tues afternoon?

Jim

Bad news - Rene is out until April 22, so we will have to meet after April 28. I am back in the office on April 29 and it currently looks like the only time we're able to meet is Friday, May 2, 9-12. I'll go ahead and block everyone's calendar, so please get back to me ASAP if that date/time doesn't work for DEQ. Sorry about the mixup.

Subject
Siltronic, EPA and DEQ Meeting or
Conference Call

Good afternoon Kristine.

Just wanted to send you a quick note to let you know DEQ is available for a meeting or a conference call anytime on Monday April 14 or after 130pm on Tuesday April 15th.

We would prefer the afternoon of the 15th if you, Rene, and Sean can be available. Otherwise let us know when on the 14th works best.

If we elect to do a conference call, I'll look into ways we can share figures from the Siltronic FFS to facilitate discussions.

Thanks again for checking your schedule and Rene's and Sean's availability this morning, and have a good evening.

Dana
